

ALLOY CANOPIES

From \$6,655 + GST

With a range of features offered as standard, our Bronco canopies represent some of the best value available on the market. Whether you need it for work, touring, or camping, we have a wide range of sizes and inclusions available to get you exactly what you need. Manufactured to fit onto any Bronco tray, these canopies are the perfect addition to your build.

* Additional costs may include: freight, bigger canopy sizes, premium powder coat colours, 2-pack painted finishes & more

Highlighted Features

- Gull wing doors
- Lift on-off compatible
- Gas strut-assisted opening of doors
- Heavy-duty internal structure

Gull wing doors on our canopies and service bodies serve a dual purpose: they look awesome and are more functional than standard doors. With the gull wing doors opening upwards, rather than to the side, they are less likely to get in the way, and on the wider doors, they require less room to be opened.

FAQS		
<p>Can the canopies be made to a custom length?</p> <p>No, we have a number of standard sizes and lengths that suit most factory vehicles.</p>	<p>Can a Bronco Built canopy go onto a non-Bronco tray?</p> <p>No, our canopies can only be fitted to a Bronco Built tray. We have custom packages that can suit you and be fitted with nothing but the best quality!</p>	<p>Can my tray &/or canopy be shipped for me?</p> <p>Yes, we can ship your tray or canopy to any one of our fitting agents across the country.</p>
<p>Note: some dealerships are also able to fit our trays, we can ship to these locations too</p>
